

## **Where You Remain**

Copyright © Ali Matthews 2004

You are the father to every little boy and girl  
Love, unaffected by the madness of this world  
And when you touch a broken heart, it will never be the same  
For that's where you remain

You are the light shining at the end of a rugged road  
My heart's companion and the lover of my soul  
First breath of a newborn and the fire in every flame  
And that's where you remain

### ***chorus***

You remain true to your promise  
You remain all that I need  
You surround me with mercies new every day  
Sweet forgiveness and grace that will never go away  
I want to know you, I want to dwell in that place  
I want to stay where you remain

You are the maker of the mountains and the seas  
Lord of the ages and eternal mysteries  
I hear all of creation and it's whispering your name  
For that's where you remain

### ***Repeat chorus***

### ***Bridge***

Things of this life will come and go  
So I run to the one honest thing I know

### ***Repeat chorus***
